Kronos Timesheet Approval Deadline Update

September 25, 2015

Kronos users:

We are updating the Kronos timesheet approval deadline. All timesheets must be submitted and approved by the **Wednesday** after the end of each biweekly pay period (every other Saturday).

**Effective for: Pay period ending 10/31/15** (approve timesheets by 11/4 for this pay period).

Early adoption is encouraged (that is, approve timesheets by 10/21 for the pay period ending 10/17).

Previously, employees had until Wednesday to submit their timesheets, and supervisors had until Friday to review and approve them. With this new approval deadline, we’ll gain the benefits of:

- Flexibility in the submission/review/approval dates between the employee and supervisor (e.g., employee can submit the timesheet on Wednesday as long as the supervisor also approves on Wednesday).
- Increased efficiency in the approval and payroll processes.
- Closer to real-time information in Banner.
- Faster processing of payments dependent on Kronos data (e.g., overtime pay).
- Alignment with Web-time entry processing timelines and industry best practices (i.e., mirrors timelines used at UNC Chapel Hill and ECU, which both require completed sign-offs by the Tuesday after the pay period ends).
