

UNC CHARLOTTE

Security Awareness Training

UNC CHARLOTTE

Why now?

UNC CHARLOTTE

**You play a key role in protecting
University information!**

As employees:

- We connect to a wide network of systems and applications
- We often have access to confidential/sensitive data
- Safeguarding those systems and data is a shared responsibility

UNC CHARLOTTE

How can I help?

Complete the Security Awareness Training:

- Adopt behaviors to ensure that information and data is protected
- Follow good information security practices
- Understand university policies

UNC CHARLOTTE

What can I expect?

- Approximately 1 hour
- 12 videos: 2 – 6 minutes each
- 2 questions at end of each video

UNC CHARLOTTE

How do I get started?

- Equipment: computer, browser, headphones or use closed captioning
- Login: Moodle 2 (NinerNET account)
