PURCHASING DEPARTMENT

2.2 Consortium Contracts

The University is a member of multiple purchasing consortia and has access to term contracts established by these agencies. Contracts that have been established by these agencies as the result of a competitive bidding process are viewed by the University as the equivalent of a State term contract. Examples of these agencies are The Educational and Institutional Cooperative (E&I), US Communities, Western States Contracting Alliance (WSCA), and The National Joint Powers Alliance (NJPA). Contact the Purchasing Office with questions or if you require additional information.
