

UNC CHARLOTTE

**PURCHASING DEPARTMENT**

**3.8 Radioactive Item Purchases**

The purchase of radioactive items is strictly regulated by the Federal Government and the Environmental Health & Safety Office (EH&S) on campus must be involved in the procurement process of all such items. Requests to purchase these items should be entered into 49er Mart and be accompanied by the RAS3 and RAS6 forms that are available from the EH&S website. The Purchasing Office cannot approve purchase requests if these forms are not completed and approved by the EH&S Office.
